Attention: Holland Shepherd

Dear Holland:

As requested, I am enclosing a copy of the Plan of Operations for the Henry 1 and 2 Mining Claims and the Security 1 thru 4 Mining Claims

As we discussed on our field review, the Plan of Operations for the Henry 1 and 2 claims has been approved. However, they are presently in the process of preparing a new plan.

The Plan of Operations for the Security 1 thru 4 claims has been reviewed and a list of recommended changes has been submitted to the operation. To date, we have not received a signed document whereby he accepts the changes.

Your interest in these projects is appreciated.

Sincerely,

THOMAS H. SHORE
District Ranger
